

# HERE'S the POINT

By SPENCE HELD

In one block on Newport Ave. Monday noon, I casually observed the following out-of-state licenses:

Arizona, Washington, Colorado, Illinois, Texas, Rhode Island, Connecticut, Ohio and Alberta, Canada.

Yeah, Ocean Beach and Point Loma look pretty good to tourists' right now. The local beach, filled in with clean white sand from the Mission Bay channel dredging, is really beginning to look like something.

I noticed, though, that some people already were littering it with beer cans, bottles, waste paper and assorted trash. Something ought to be done to cramp the style of the litterbugs, huh?

Noting that the newest subdivision in El Cajon Valley is named "Joey Manor," I have a few suggestions for naming future developments.

How about Artie Acres? Oh, you don't like that one. Well, here are some more: Gusie Gardens, Charlie Park, Smitty Manor, Georgie Farms. You can take it from there, Clarabelle.

One of the best examples of governmental gobbledegook I've heard recently came floating over the airwaves in a local radio program Sunday.

A City official, discussing a proposed Torrey Pines recreational development, said, "The financing has not been definitized."

That'll do till a better one comes along.

H. F. Roberts, of 3022 Tennyson St., caught a 51-pound, 9-ounce yellowtail the other day. That tops the 50-pounder brought in by my old friend Dick Fleming a couple of months ago, but Roberts' fish is not eligible for the Yellowtail Derby competition, it was reported.

The Department of Motor Vehicles in 1954 issued an average of 15 drivers licenses per minute of every working day during office hours.

## Mackerel Offer No Bargain But Albacore Okay

Millions of mackerel proved a handicap to yellowtail fishermen at the Coronado Islands this week, but the appearance of schools of big albacore one hour south of the Coronado Islands proved a ray of hope for anglers trying to qualify in the third period of the \$25,000 San Diego Yellowtail Derby.

Largest of the albacore taken during the week was a 26 pound 6 ounce caught by Howard Davidson, San Diego, giving him the second spot among the prize winners. First on the list was a 26-15 yellowtail caught by M. K. Grensted, Alhambra, and third a 26 pound albacore bagged by 13-year-old Jerry Stevenson, Long Beach.

Local Anglers Mostly influenced by the albacore run, minimum qualifying weight has risen to 20 pounds 12 ounces as the third week of the third period came to a close. Ocean Beach-Point Loma anglers still on the list at that time included:

24-2, Frank Hughes, 3736 Wilcox; 23-12, J. D. Vose, 4654 Pescadero; 22-6, Jack White, 1019 Cordova; 22-6, Hal Burnett, 149 No. Fort Rosecrans; 21-13, H. W. Hanson, 1730 Rosecrans; 21-6, J. P. Hopman, 1239 Trieste Dr.; 20-15, Wes Sebring, 2904 Byron.

Good all-around fishing for barracuda, bass, small white sea bass, some bonito, and a few yellows prevailed at the La Jolla and Point Loma kelp beds, and bottom boats at the Rock Pile loaded up on red cods and groupers.

## SHAKESPEARE FESTIVAL OPENS AT OLD GLOBE FRIDAY NIGHT

July 22 will mark the opening of the Sixth San Diego National Shakespeare Festival, one of Southern California's most popular summer vacation attractions.

The festival is presented at the Old Globe Theatre in Balboa Park, and will offer "Measure for Measure," "Hamlet," and "The Taming of the Shrew," nightly in rotation, a different play each night at 8 p.m. through September 4.

The setting for San Diego's Shakespearean Festival is ideal for player and patron alike. The Old Globe Theatre is the finest replica in the United States of the famous London playhouse of Shakespeare's day. Built in 1935 for San Diego's second international exposition, the construction of the Old Globe follows that of the original in faithful detail.

## O.B. Daz-O-Fun To Feature Beauty, Talent

With Carolyn Zaruba of 3918 Del Mar Ave., the first entrant in the bathing beauty contest, plans were shaping up this week for the gala Daz-O-Fun Fiesta in Ocean Beach Aug. 19, 20 and 21.

Auditions for the talent show will start tonight at 8 o'clock in the Moose Hall on Newport Ave., according to Bettie Knauer, chairman of the entertainment committee. These will continue each Thursday night until the first week in August, when finalists will be chosen for the stage acts and talent show.

### Dancers Sought

Mrs. Knauer is seeking tap dancers—straight, acrobatic or skate—as well as tumblers and those who can play a violin, accordion or other musical instrument.

The talent show will be held during the Fiesta at the foot of Newport, and prizes will be awarded. Judging is to be done by means of an applause meter. Call AC-2-9660 for further information.

### Fashion Show

A bathing suit and beach wear fashion show with contestants acting as models, will be an outstanding event this year. Contestants will be taught how to model by a competent instructor, according to Mrs. Knauer.

The bathing beauty contest, sponsored by Post 2415, Veterans of Foreign Wars, is to be judged on poise, personality and charm. (Entry blank will be found on another page of this newspaper.)

Miss Zaruba, the first entrant, represented Ocean Beach in the Fairest of the Fair contest and the Oceanside Beauty Review.

### Booth Information

Many entries have been received for operation of booths at the foot of Newport. Community organizations wishing to participate may receive information or forms from the following:

Harry Masters, AC-3-5703; Charles Kempf, BE-4-1468; Dave Noel, AC-3-1292; Clarence Dersch, AC-2-0215; Reg Mattson, AC-2-7672.

### Artificial Flowers

The Daz-O-Fun committee needs artificial flowers of any color or description to decorate the stage. Those having such flowers are asked to call Mrs. Jack Hampton, president of the Peninsula Women's Club, AC-2-1210, and arrangements will be made to pick them up.

Also, boxes will be placed in the following stores: Noel's Furniture, 4836 Newport; La Plaza Shopping Center, 1864 Bacon St., and Elm's, 4985 Newport.

## Chamber Meeting Is Cancelled

The regular luncheon meeting of Ocean Beach Chamber of Commerce, scheduled for Tuesday, July 26, has been cancelled. Secretary John Pierce reported.

Next regular meeting will be held Tuesday noon, Aug. 23, at the Kiwanis Youth Center.

The Department of Motor Vehicles in 1954 revoked the California drivers licenses of 612 persons for drug addiction.

**ALL-STARS**—This is the Ocean Beach Pony League Tournament Playoff Team which had won three straight and was undefeated going into a game late yesterday with La Mesa. Front row, left to right, are Duke Dana, Billy Jackson, Ronald McLeod, Lawrence Wyman, Alan Eber, David Kidwell and Donald Smallwood. Middle

row, Fred Rosso, coach-manager; Larry Williams, captain, and Charles Rini, assistant coach. Top row, Wilford Downey, Ray Hermans, Bruce Newton, Henry Bishop, James Shepherdson, William Fontana and James Box.—Studio of the Cliffs photo.

## Local Girl Scouts Go Primitive Here

In a coastal wilderness, but only a stone's throw from civilization, is the site of a primitive day camp now in session for Peninsula area Girl Scouts.

On the western slope of Point Loma, at the foot of Cabrillo National Monument, 23 junior high Girl Scouts are learning primitive camping skills and having the time of their young lives.

The girls have lashed bamboo and willow stick structures, dug latrines, cooked on open fires and in bean-holes. Last week they started learning shell craft.

Highlight of the week was a cruise of San Diego Bay aboard a Navy motor launch. Two overnights this week will complete their encampment.

Mrs. R. F. Graecen, director of the camp, is assisted by Mrs. Paul Fournier. Mrs. Alex DeBaksey is business manager. Mrs. R. D. Brumagim and Mrs. George Hughes are unit leaders with assistants, Mmes. R. Cutchins and Wayne Macy.

## Two New Stores Opening In O. B.

Opening of two new businesses on Newport Ave.—Robert's Jewelry and Art's Store for Men—was announced this week by Robert Montoya and Arthur Gomez, two friends from Ocean side.

Both stores will be open for inspection tomorrow.

Robert's Jewelry, 4952 Newport Ave., in the Strand Theatre Bldg., will have free flowers and balloons. The public is invited to register for a Friday night drawing for a free man's or woman's wristwatch.

Robert Montoya has had many years' experience in the jewelry business and in watch-repairing. He offers "a complete jewelry store and repair service."

Arthur Gomez is opening his men's wear store at the former location of Spinali's, 4920 Newport Ave. He also will have free flowers and balloons tomorrow, and is offering three prizes to be awarded following a drawing Friday at 8:30 p.m. He has a complete line of suits and sportswear.

Both men are married and have families.

## O. B. Kiwanis-annes To Meet Tuesday

Fun and relaxation are promised members of the Ocean Beach Kiwanis-annes when they meet Tuesday evening, July 26, at 8:30 o'clock at the home of Mr. and Mrs. Glen Jones, 4453 Del Monte Ave.

A pot luck supper in the patio will start the evening's festivities. Mrs. Russell M. Bement, president, urges all members to attend.

## SAN DIEGO SYMPHONY OFFERS FAMED SOPRANO TUES. NIGHT

A program of real contrasts will be offered next Tuesday evening at 8:30 p.m. in Balboa Park Bowl when Metropolitan Opera Soprano, Margaret Harshaw, will sing the title role in the English language's first opera, Purcell's "Dido and Aeneas," as well as selections from Wagner's "The Flying Dutchman," "Tannhauser," and "Tristan and Isolde."

The Purcell opera, to be performed in its entirety with a chorus of 160 voices, will be a unique experience for San Diego audiences. First composed in 1689, in London, by Henry Purcell, proprietor of a girl's school, and performed that same year by students in the school, the Purcell opera lay idle until its rediscovery in the latter part of the last century.

Miss Harshaw, herself, sang the title role while attending the graduate school of the Juilliard School of Music in New York City. Margaret Harshaw is best known, however, as a Wagnerian soprano, performing Senta's role in "The Flying Dutchman," with the Metropolitan Opera in 1955, at which her second performance played to standing room only. In succeeding years she won considerable praise as Brunhilde in "Goetterdaemmerung," as Kundry in "Parsifal" and as Isolde in "Tristan and Isolde."

Next Tuesday's concert will be presented by the San Diego Symphony Orchestra Association as Opera Night in cooperation with the San Diego Opera Guild. Robert Shaw will conduct the San Diego Symphony and accompanying chorus. Performing with Miss Harshaw will be Phyllis Moffat, Florence Kopleff, Jane Craner and Kenneth Fox.

## BIG CROWD ATTENDS DERBY; THREE CHILDREN INJURED

Three Ocean Beach children were injured, two seriously, when they were struck by a racer in the San Diego Soap Box Derby held Saturday at Collier Park here. Several thousand spectators attended.

The Derby winner was David Hayward, 14, of 4967 College Ave. He will represent San Diego at the All-American Soap Box Derby at Akron, Ohio, Aug. 14.

Those injured when a racer went out of control and plowed into the seated spectators were Daniel Lloyd, 3, who suffered a skull fracture; Thomas Lockwood, 7, internal injuries, and his brother, James, 4, minor injuries.

## FAMOUS PLAY TO BE STAGED BY 'U' PLAYERS

As their second production, the University and Community Players of California Western University will present the world-famous morality play, "Everyman," on August 13 and 14 at 2:30 p.m. in the Greek Theatre on the campus.

"Everyman" is the most justly celebrated of all the old English morality plays. It was founded upon an earlier Dutch play of the same title. The earliest English version dates from about 1530. Since then there have been many versions and adaptations of this play. But the University and Community Players are reverting to the original to recapture the full import of the dramatic impact of the scenes and lines.

### Rehearsals Under Way

Rehearsals for this production are already under way. The cast includes not only members of the faculty and students but also residents of Point Loma.

The leading role of Everyman will be played by Kent Wilson, who appeared in one of the three one-act plays presented last June in the Little Theatre at Salomon Hall. Others in the cast who are also well known to Point Loma audiences are Joseph E. Hitt, Jr., Lily Coffey Sandoval, Willane Schneider Belden, Robert Vickers, and Starr Wilson.

Among those making their first appearance with the University and Community Players are Thomas Rogers, C. B. Loomis, Roy Reis, Elizabeth Graham, Francis Guidry, William E. Sussan, Sylvia Kircher, and James Vandiver.

### Purpose Stated

"In presenting this play," said Carl Glick, director of the Players, "we are trying to fulfill our aim of giving drama with literary qualities acted and staged with artistic simplicity, serving the university and community so that its theatre may express its ideas."

The staff to assist in the production of this play is being organized, and Glick would be glad to hear from any volunteers who wish to help. He can be reached at AC-2-6807.

## O. B. Kiwanis Club

State Sen. Fred Kraft, of Ocean Beach, discussed important bills passed by the State Legislature at its recent session, in a talk to O. B. Kiwanians Tuesday night.

Kraft, who interspersed his talk with humorous anecdotes, was the first duly elected president of the O. B. club, in 1929, and now is an honorary member.

Jim Noel was program chairman. Most of the members present were fined 50 cents apiece by Noel for not raising chin whiskers for the Daz-O-Fun next month.

## Mission Bay Festival Scheduled for Sunday

Reopening of the Mission Bay Channel will be officially celebrated Sunday with a day-long Festival emphasizing the myriad activities of the 26-million-dollar Mission Bay project.

Highlight will come at 12 noon when a big parade of boats enters the newly-dredged channel and Mayor Charles C. Dail cuts the ribbon.

The Ocean Beach Chamber of Commerce will be represented in the boat parade by Harry La Dou, president, and Mrs. LaDou, and Mr. and Mrs. James Noel. Their boat will display a Chamber banner.

Also, the Chamber will send a float to the Festival advertising the upcoming Daz-O-Fun Fiesta in Ocean Beach. The Beach Improvement Committee headed by Bill Knopp is in charge of the float, which is being decorated by Ruth Faber.

Sunday morning there will be model yacht demonstrations and a water-ski show. The noon boat parade will proceed to Tierra Del Fuego Island, where the formal program is scheduled to start at 1:30 p.m. following a concert by the MCRD band. Speakers will include Mayor

Dail, County Supervisor Frank Gibson, George A. Scott, chairman, Mission Bay Park Commission, and Congressman Bob Wilson.

The afternoon program includes a frogmen pick-up demonstration, helicopter rescue demonstration, a review by the Outboard Boating Club of San Diego, band concert, sailing review by yacht clubs, water-ski show, rowing, paddle-board display and water ballet.

La Dou, O. B. Chamber president, attended a meeting Friday of the Mission Bay survey committee, of which he is a member. He reported that the committee was in general agreement with Mayor Dail that administration of the 26-million-dollar project should be set up under an agency patterned after the city harbor commission to insure orderly development.

The present Mission Bay commission has advisory powers only.

## LITTLE LEAGUE

The first games of the second half opened last Saturday with Kiwanis defeating Optimist 6 to 1 and De Falco's beating Rotary 14 to 2.

In the first game Skippy Ikimura of Kiwanis had a shutout taken from his grasp with 2 out and 2 strikes in the last inning when Tom Webb homered for the losers' only run. Mickey Burkeholder scored 3 runs and made 3 hits. Larry Garcia and Ronnie Holmes got 2 hits each. The game was actually settled in the first inning when Kiwanis scored 4 runs on 4 hits and 3 walks.

### Carlita Stars

Larry Carlin pitched a 2-hit game for De Falco's over Rotary and also exploded the myth that pitchers can't hit by driving in 5 runs with a 3-run homer, a double and 2 singles.

DeFalco's infield was at its best, cutting down several Rotary rallies. Lyn Kemp of Rotary had a rough day, being hit twice by pitched balls, but did get even with Carlin with one of Rotary's two hits, Tom Neill getting the other. "Big Mike" Dolphin had a frustrating day, getting walks, as did Don Sansome.

Saturday's doubleheader will have Kiwanis playing Rotary and Optimist versus De Falco's; gametime 9:30 a.m.

### LOCAL SWIMMER WINS

Susan Dornin, 16, of 960 Sunset Cliffs Blvd., daughter of Capt. Dornin of the USS Nereus, took first place in the beach resident class in the Mission Beach Rough Water Swim.

## 'Puss In Boots' To Be Presented In O. B. Monday

The San Diego Junior Theatre will present a summer workshop production of "Puss in Boots" Monday, July 25, 11 a.m., at Ocean Beach Community Center.

Puss is an extraordinary cat who brings his master from rags to riches with the help of his beautiful boots. Many adventures befall Puss and Jack on this road to wealth, some concerning mice and rabbits and some concerning a beautiful princess and her father, the king.

Nina Janowsky and Kathleen Nilssen are appearing as Puss, with Serena Adkins as Jack, Martha Woods and Michelle Yeend are taking the part of the princess with Doug Wied as the king. Bonnie Gave Smith and Janice Gordon appear as the powerful and cruel ogre who tries to prevent Jack from becoming a rich man and winning the hand of the princess.

### LEGION INSTALLATION

Ocean Beach American Legion and Auxiliary will install officers tonight (Thursday) at 8 o'clock in the Women's Clubhouse, Muir and Bacon Sts.

Jack Wilson will be installed as commander, and Nelda Ward as unit president. The La Mesa drill team will install Auxiliary officers. The public is invited.

## RACING STARTS AT DEL MAR JULY 27 IN IMPROVED PLANT

DEL MAR, Calif., July 20—Del Mar by-the-sea goes big time Wednesday, July 27 with the opening of its 16th summer season of thoroughbred racing.

Already famed as one of the most successful race courses in the Far West, the turf-surf track makes its bid for even more public acceptance with a completely revamped plant, the results of a million dollar improvement program expended since the close of last year's meeting.

### Expanded Facilities

Opening day racegoers figure to be surprised and delighted at the "new look" at Del Mar this season. Improvements include a 2400-seat addition to the grandstand, a greatly expanded turf club and clubhouse, and enlargement and beautification of the picturesque saddling paddock area.

As a result of increasing the seating capacity by some 38 per cent, Del Mar appears in a fine way to enjoy the most successful season in its long history. More than 12,000 patrons can be seated in the expanded areas, and an increased reserved area is expected to answer a long-felt need for this type of accommodation.

On the racing front itself, more than 1200 thoroughbreds will tax the capacity of the stable area and provide the show for racing followers of the Southland. Del Mar, for the first

time, will send out fields of 12 starters this season, and adjustments to the tote board have been made accordingly.

In past years, 10 starters have been the limit. This was a throwback to the early days when horses were nearly as scarce as customers and management had to wait for the daily train from Los Angeles to arrive with its complement of the faithful before giving the nod to the bugler to blow "boots and saddles" for first post.

### Opening Card

Wednesday's opening card will be featured by the \$5000 Inaugural Handicap at six furlongs for fillies and mares. Last year's winner of the Inaugural, G. I. Martin's Alibhai Lynn, is expected to be numbered among this year's entries in an effort to defend her laurels. Alibhai Lynn has demonstrated her superiority over those of her own sex in several outings at Hollywood Park this summer and looms as the top weight of the Inaugural field.

Opposition for Alibhai Lynn will stem from such distaffers as E. F. Smith's Sinful and Auntie Bell, a brace of hard-hitting 3-year-olds; Llangollen Farm's Week-end, R. S. Howard's Mab's Choice, J. J. Elmore's Noor-don, Marlad Stable's Khyer Queen, Archie Sneed's Vickie Blue and the Cuffragh Stock Farm's Jet Lady.

Mr. and Mrs. John Evans and children, 4115 Hill St. returned this week after spending a week relaxing and visiting with Mr. Evans' parents in Monterey Park. Mr. Evans is with a local real estate firm.

Mr. and Mrs. George Mars and son, Billy, announce their change of address. They formerly lived at 2928 Dickens St. in Point Loma, but have purchased a home at 4717 Narragansett Avenue.

The Point Loma Civic Ass'n. was the first organization in this area to realize the Soap Box Derby should be held at Collier Park at its present location. One of the main speakers if the idea was energetic Bettie Knauer, one of our most civic minded citizens. Saturday's initial run of the Derby proved the Ass'n. was far-sighted. The site is perfect.

Mr. and Mrs. Phil Meredith and son, Dean have moved from 5027 Muir Avenue to a home of their own on the hill in the 4300 block of Newport Avenue.

Miss Dolores De Candia, Miss Ocean Beach for 1954-55 has returned to her home, 3018 Garrison St. following surgery in Mercy Hospital.

Enjoyed a visit with Dan Delaney while viewing the Soap Box Derby. Dan was the leader at the Ocean Beach Recreation Center several years ago.

Mr. and Mrs. Fred C. Sappington have moved into their lovely modern home built especially for them in the 1200 block on Trieste Drive. They formerly lived on India St.

George Ahlgren, 4717 Brighton Avenue, a resident here for over forty years, is enjoying a visit with his daughter-in-law, Mrs. George Ahlgren and her children, Diane and George. They spent part of each summer here from their home in Berkeley.

Mrs. Clyde Wood and daughter of La Cresta Drive, are expected to arrive home via plane this week. They have spent several weeks visiting Mrs. Wood's parents, Mr. and Mrs. J. Espey Sherrard in the Woods' former home town, Uniontown, Penn.

Ann and Tony Scaramuzzo this past week moved back to Ocean Beach. For the past four months they have lived in La Mesa. The couple realize Ocean Beach is a good place to live the year around, but especially in summer.

Mr. and Mrs. Theron Woods and Trudy, 2311 Seaside St. were called to Whittier on Saturday due to the illness of Mr. Woods' father.

**Summer Games Shifted To Mondays**

High school-age basketball teams, competing in the summer league conducted by the San Diego Park and Recreation Department at Balboa Park gym under Pepsi Cola sponsorship, will henceforth play on Monday nights instead of Tuesday.

Teams in this league, called by the nickname of the school district they represent, hail from Chula Vista, Sweetwater, Helix, La Jolla, Point Loma, Lincoln, Mission Bay, Hoover, San Diego, Grossmont, Kearney and St.

Augustine districts. The games are played at 7 and 8:30 p.m. and admission is free. Voluntary coaching is provided by the regular school coaches, who will mentor practically the same teams in the fall.

## Navy Secretary To Visit S. D.

Charles S. Thomas, secretary of the Navy, will be honored at a civic luncheon to be held under auspices of the City and County of San Diego, the San Diego Chamber of Commerce and the San Diego Council, Navy League of the United States. The event will take place at El Cortez Hotel Tuesday, July 26.

Harley E. Knox, former mayor and president of the San Diego Navy League Council, will be chairman.

The luncheon is being planned as a civic tribute to the Californian who heads the United States Navy. Besides civic leaders, top ranking Navy officers in this area will be invited as special guests.

Secretary Thomas plans only a brief San Diego visit. He will leave for Los Angeles shortly after the luncheon.

## Health Education Workshop Planned

Plans have been completed for a fourth annual, two-week Health Education Workshop to be held Aug. 1 through Aug. 12 at State College.

The workshop will be open to local teachers, school nurses, administrators, and all others interested in health education, according to David H. Thompson, president of the San Diego County Tuberculosis and Health Association.

The sessions will be patterned after the successful ones held during the past three summers and will be jointly sponsored by the city and county school systems, Department of Public Health, and State College.

Two units of upper-division or graduate credit will be given for the workshop. Participants will study common problems of school and community health instruction.

The workshop is being made possible through grants from the Tuberculosis Association, the San Diego Branch of the American Cancer Society, and the San Diego Heart Association, Thompson said.

## 1st Anniversary Celebration Set

Carvalho Brothers Union Service, 4702 Point Loma Ave., will have its First Anniversary Celebration Friday, Saturday and Sunday, July 22, 23 and 24.

John and Harry Carvalho announced there will be free candy and balloons for the kids, and coffee and cake will be served. Tickets will be given away for a drawing for a 21" table model TV.

## Recreation Program At Loma Portal

Mrs. C. B. Reid, Loma Portal Parent-Teacher Association recreation chairman, urges all youngsters from that area to take advantage of the fine program offered daily on the school playground.

Coach Bob Barlow is on the grounds Monday through Friday from 9:30 a.m. until 5:30 p.m. The schedule is planned for children of all ages and will continue through August.

Dr. and Mr. S. R. Bennett and children, Sidney, Carolann and Dorothy of Sarnia, Ontario, Canada have purchased a home in the 3222 block on Ibsen St. They are enthusiastic about our wonderful climate. Dr. Bennett is practicing medicine in Ocean Beach.

After Mr. and Mrs. E. W. Kaiser of Norwalk, Ohio, are settled in their own home in the 2200 block on Rosecrans Blvd. they are planning numerous excursions and drives around San Diego. Mr. Kaiser is an auditor for Ryan Aircraft.

**SE HABLA ESPANOL AQUI**  
 —When members of the Point Loma Spanish Class showed up at a Spanish dinner recently, accents from four sections of the world mingled over enchiladas and tacos.

Einar Juel, a native Norwegian who lives in Loma Portal, won thumbs down on having the most pronounced accent. Mrs. James Marlow, 3144 Elliot St., was born in Hawaii and brought the South Sea islands flavor with her Spanish efforts.

A French accent was contributed by Mrs. Wilfred Laurendeau, 3584 Poe St. And, suh, wasn't that remark from the end of the table simply dripping with scent of magnolia blossoms from the Deep South?

The dinner marked the year's work of beginners in Spanish in the Adult Education class taught by Senora Preston M. Giff. Other members from the Peninsula area who attended were Messrs. and Mmes. Syre Williams, Robert Briggs, and Ben Penners and their daughter, Joanne; Mrs. Alan Davis and Mrs. Dean Moffatt.

**LIFE CAN BE BEAUTIFUL**  
 —That efficient housewife wrote little reminders to her family and posted them at strategic points around the house. One night after an unusually large party, she found one of her little notes, still prominently pinned on the guest towels in the bathroom.

The note read: "If you use these, I'll kill you!"

**KEEPING UP WITH DON**  
 —Don Adams, 20, Point Loma and State College student who is representing the United States in sailing races this summer, arrived in England recently with this comment:

"Am I glad to be alive! Our plane was tossed like a rubber ball by storms all over the Atlantic."

Before leaving for England, Don raced in the Lipton Trophy Regionals held at MIT out of Boston. The California crew lost by one quarter of a point to the New England states.

The three San Diego boys, Don Malloy, Al Pirie and Don, report that sailing on the east coast is "terrific." They were impressed with the fact that students may major in sailing at

many eastern and New England colleges.

**BRAINS, NO DOUBT**—Come fall, it'll be the University of Arizona for the \$2,000 scholarship winner, Gail Ottinger, and her twin sister, Marilyn, who live at 1442 Catalina Blvd.

Gail, winner of the AmVets' award and a trip to Washington, D. C., also is sharing a Maude E. Warwick Foundation scholarship with Marilyn.

This summer Marilyn is taking a course in water colors, an art award she received from the Coronado Art School. In the meantime, Gail is boning up on her typing and learning to use some business machines.

**VISITOR**—Returning to Point Loma Sunday, July 31, is the Rev. Mr. Orno E. Tyler, who will preach the eleven o'clock service at the Westminster Presbyterian church, 3598 Talbot St.

The title of his sermon will be "The Most Important Product." Mr. Tyler was the former visiting minister at Point Loma Community Church.

## Distinctive Table Top

IF YOU have a coffee table with a marred top but otherwise good appearance, you can make it like new without a lot of laborious refinishing. And at the same time you can give the table a distinctive feature that it never had—a marble pattern top with a surface that takes abuse.

The simple job is done by applying a new top in the form of a plastic-finished Marlite panel in one of five authentic marble patterns. Widely used for walls and ceilings, the material is available at lumber yards.

Saw a panel to fit, allowing a fraction of an inch for smoothing edges by planing and sanding. Bond the panel to the table with adhesive and leave weights on top until the adhesive is set. Wax the edges or paint them to harmonize with the marble pattern and table finish.

Your new table top, with its baked-on plastic finish over a tempered Masonite hardboard base, will defy attacks by beverages, heat and wear. Damp-cloth wiping will clean it.

## SDJC Enrollment Starts August 1st

Dean of Guidance of the San Diego Junior College, Mrs. Margaret Olson, announced yesterday that enrollments would be accepted by the College August 1 and continue through the month.

"All students interested in beginning College in September should contact the South Campus of the College, 835 Twelfth Avenue. At the South Campus counselors will assist Business, Technical, and Applied Arts students with entrance examinations, programming of courses, and completion of registration," Mrs. Olson said.

Junior College programs leading to the Associate in Arts degree, will be offered in the fields of Business Education, Technical Education, and General Education.

Enrollment hours will be from 8 a.m. to 3:30 p.m. For further information call BE-9-9151.

Mr. and Mrs. J. H. Sneed liked Tennyson St. so well that when they decided to purchase a home they just moved three blocks. Their former address was 4045 Tennyson St. and they now live at 3768 Tennyson. Their son, Michael is a member of a Little League baseball team. Their other children are Larry, Brian and Connie.

## Helpful Hints Listed For Summer Driving

The San Diego County Traffic Safety Council has released a list of helpful hints to summer-time motorists compiled from suggestions made by automotive safety engineers across the nation.

The list points out that too many vacation motorists are simply "over-anxious." In a hurry to get away on their trips they neglect checking brakes, lights, windshield wipers, horn,

wheel alignment and signal lights. Still in a hurry they drive too fast and too long, creating unnecessary hazards.

**Sun-Glasses At Night**  
Another item on the Traffic Safety Council list points out that too many motorists forget to remove their sun-glasses for evening and night driving. Many persons have the mistaken belief that tinted glasses will cut down the glare of approaching headlights.

"This may be true," the report says, "during the few seconds another car's headlights are shining directly in your eyes, but the moment it passes you're nearly blind."

**Endurance Limited**  
Despite great strides made in building comfort into present-day cars, there still is a limit to the physical endurance of the motorist.

The Traffic Safety Council says, "Stop for a rest, or for the night, before you reach that point of fatigue when your reaction and alertness are at their lowest. This is the point where you tend to creep up on the car in front, when your distance perception is hazy and you try to pass without enough space, when it takes longer to react to situations, longer to get your foot from the throttle to the brake. This is the danger period. Avoid it."

## WHO'S NEW IN POINT LOMA

Mr. and Mrs. W. S. Gordon and their two children, Jeff and Katie, moved from Los Angeles to their own home in Plumosa Manor in the 3700 block of Kingsley St. Mr. Gordon is working as plumbing foreman, on the new Naval Hospital.

When Mr. and Mrs. T. E. Clavell moved to Homer street in Loma Portal, it brought Mr. Clavell much closer to his business on Barnett Avenue. The couple formerly lived on Fourth Avenue in the Hillcrest district.

Mr. and Mrs. I. De Kirby and 13-year-old daughter are deep in the blue print stage for their home to be built in Mission Hills. While doing so, however, they are residing in the 3700 block on Amaryllis Dr., coming to this area from La Mesa. Mr. De Kirby is general manager for a motor company.

Point Loma High School, Dana and Loma Portal Elementary will this coming school year have members of the M.

L. Nelson family as students. Mr. and Mrs. Nelson and their children, Marlene, Joan, Jackie and Larry, are from Des Moines, Iowa, and have leased a home on Elliott St. for the next year. Mr. Nelson is an assistant manager at Solar Aircraft.

Mr. and Mrs. E. Cole and baby, Debbie, of Las Vegas are making their home in Point Loma in the 3000 block on Canon St. Mr. Cole is a surveyor with the Atomic Research Commission.

Near July 1st Mr. and Mrs. M. F. Todd and children, Mike, Marshall and Jody moved from Pacific Beach to the 1200 block on Willow St. The children will be attending Cabrillo School in the fall.

Former residents of Point Loma, Mr. and Mrs. G. D. Baker and sons, Bruce and Scott, moved from La Mesa back where they could have the cool sea breezes. They are living on Wisteria Drive. Mr. Baker is an importer of abalone.

Mr. and Mrs. Alan Randol and son, Lonnie have moved from 1989 Chatsworth Blvd. to their own new home at 3344 Tennyson St. Mr. Randol is a reporter in the Superior Court.

Near Newton, Kansas, where yearly temperatures vary from 20° below to 114° above, we laid a 5-mile experimental stretch of welded rail. Here we found that anchoring the rail to every other tie restricted expansion to the area between anchors. Thus, overall expansion was reduced to the merest fraction of an inch between rail ends. In other words, expansion is no problem whatsoever.

## PUBLIC SAFETY

Pedestrians have obligations to themselves and the motoring public. Public officials, by publicizing rules for safe walking, have reduced pedestrian accidents.

These four rules, suggested by the National Street and Traffic Safety Lighting Bureau, will help pedestrians overcome night hazards until street lighting has been modernized:

1. Always walk on the sidewalk, not in the road. If you must walk in the road, walk on the left shoulder of the road, facing traffic.
2. Cross at intersections. At night cross at lighted intersections.
3. Wear contrasting clothing, usually something white or light-colored. Better still, carry a flashlight or something made of reflectorized material.
4. Don't trust your judgment of the speed of an approaching car by its headlights at night.

There's another night hazard—bicycles. In many communities, official and non-official agencies have teamed up to meet the bike-traffic accident problem. They usually promulgate these four rules for bicyclists:

1. A good headlight and tail light (or reflector) are musts for night riding.
2. Trim your bicycle with some type of reflectorized material.
3. Wear light colored (contrasting) clothing or something trimmed with reflectorized material when riding at night.
4. Be alert for holes or ruts in the roads. Fallen branches or such objects might cause you to lose control of your bike. They are dangerous, doubly so at night.

## PRETTY PARTY QUICKIE

Suppose the bridge tea is shifted to your house at the last minute, or your maiden aunt drops in for an unexpected chat. Are you at a loss for a fast party snack? Before you panic or run out for an expensive tidbit, take a look at your pantry shelf and the contents of your bread-box. Here, for example, is a really festive offering made from nothing more distant than a package of instant pudding mix and a few pieces of enriched yeast-raised bread. With the help of a little canned fruit halves, an occasional walnut, and the sugar and spice that are almost sure to be staples in your kitchen, you can make these tulip cups in minutes flat.

## FRUITED CREAM TARTLETS

1 package prepared vanilla pudding 4 Spicy Tulip Toast Cups  
2 cups milk Pecans or walnuts

Make vanilla pudding with milk according to package directions. Spoon into Spicy Tulip Toast Cups. Top with any fruit. Garnish with pecans or walnuts. Makes 4 servings.

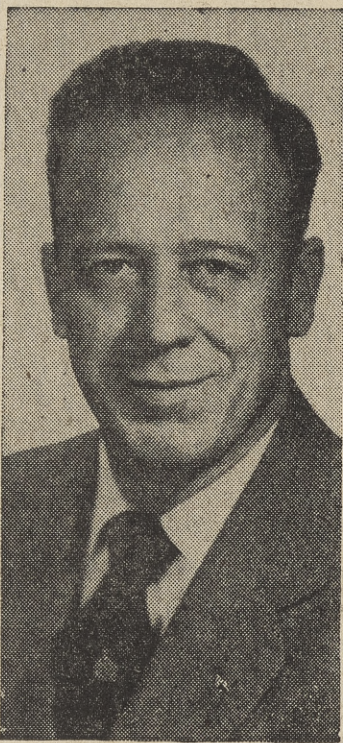

## SPICY TULIP TOAST CUPS

Roll a slice of enriched yeast-raised bread with a rolling pin to 1/4 inch thickness. Trim the crusts with scissors. Brush both sides with melted margarine or butter. Sprinkle the top with a mixture of 2 teaspoons sugar and 1/2 teaspoon cinnamon. Set in muffin pan or individual baking dish. With fingers, press the center edges of the bread toward the middle to make the tulip shape. Bake at 375°F. (moderate oven) until lightly browned.

## Bud James Heads March Of Dimes

County Clerk Robert B. "Bud" James will be chairman and campaign director of the 1956 March of Dimes, the San Diego Chapter of the National Foundation for Infantile Paralysis, announced this week.

An active worker in the local polio chapter for the last five years, James takes charge of the January, 1956, fund drive with announced goal for 1956 of "taking care of the needs of San Diego County polio patients."

ROBERT B. JAMES

These needs, he said are running at approximately \$20,000 a month for patient care alone in excess of any contribution to the National Foundation headquarters for research, epidemics and emergencies.

**This Isn't Charity**  
"The important point I want to stress both to the contributors to the March of Dimes and to those cases of infantile paralysis and their families who benefit," James said, "is that help from the polio chapter is NOT charity."

"It's a 'self help' program that could almost be considered polio insurance except that the Chapter's financial contributions to the afflicted and their families are unlimited whereas actual polio insurance is usually limited to \$5,000."

"You can readily figure how long such a policy would last when the expenses of the average hospital case will run between \$700 and \$1000 a month."

Oregon's highway system, according to the National Automobile Club, currently contains over 55,000 miles of roads, including forest, state, and county roads.

## HEALTH FOR ALL

Taking a shower requires more than three times as much energy as running a sewing machine.

Have you ever tried to figure out what kind of activity tires you most? People who must regulate their physical activity because of illness have to know how they are spending their precious energy. They have to economize. Some of the facts that have been learned for their benefit can be helpful to the rest of us in slowing down to adjust to living with summer heat.

heat.

## Rest Is Important

Rest is one of the important elements in treatment for tuberculosis. When a TB patient is allowed limited activity, the amount of energy he spends must be carefully regulated. Recently, researchers studied the energy cost of typical activities in the rehabilitation workshop of a TB hospital, rug hooking, copper tooling, using a sewing machine, and chisel carving.

Energy expended taking a shower was also measured. The investigators measured oxygen consumption in terms of changes from the normal rate of metabolism.

The rise over normal metabolism for each of the tasks was as follows: 33 per cent for rug hooking, 66 per cent for copper

tooling, 77 per cent for machine sewing, 100 per cent for chisel carving and all of 264 per cent for taking a shower.

The results on showering may come as a surprise, but notice next time you take a shower how hard your trunk and limbs have to work.

## Try a Tub Bath

This is not to suggest that you substitute rug hooking for your shower, but you might try a relaxing tub bath. If you find yourself getting "hot and bothered" these summer days, take a look at some of your activities. Are they worth the physical energy they cost? Or can they be done with less waste motion?

Take a leaf from the book of those who dare not burn their energy unnecessarily. Take it easy, and you'll be cooler.

(This column is sponsored, in the interest of better health, by the San Diego County Tuberculosis and Health Association and the Peninsula News.)

After Lt. Col. R. W. Dyer, USMC, retired from the Corps, he and Mrs. Dyer and their children, Roy, George, Chuck and Susie chose Loma Portal for their home location, coming here from Oceanside. They are now settled in their large house in the 3400 block on Browning St. Col. Dyer is with Convair in the Contracts Administration Dept.

Mexico had 438,250 motor vehicles in 1953, reports the National Automobile Club.
